C.E.O. RECOMMENDATION:

BR 17-058

BACKGROUND:
Summary
POST has agreed to reimburse the Sheriff's Department for the cost incurred during the provision of the EVOC presented by BCTC. Pursuant to the State's standard agreement (number: 17112113) Post will pay for 100 students to take the 40 hours' course at a cost not to exceed $1,000 per student which equates to a total reimbursement of $100,000 in FY 2017/2018. The POST reimbursement revenue is in the Sheriff's Department proposed FY 2017/2018 budget, and therefore no budget adjustment is necessary. County Counsel has approved the agreement as to form.

Impact on Residents and Businesses
The EVOC is one of the 42 instructional sequences that make up the Regular Basic Course Academy required for California peace officers employed by a POST participating agency. Peace officer must be proficient in the operation of the vehicle and know the dynamic forces at work during a Code 3 emergency response. This instruction is designed to satisfy the requirements for law enforcement high-speed vehicle pursuit training as required in Penal Code Section 13519.8.
