MINUTES OF THE BOARD OF SUPERVISORS
C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

Tentative Parcel Map No. 36201 was originally approved at Director’s Hearing on April 25, 2011.

The first Extension of Time was received March 3, 2016, ahead of the expiration date of April 25, 2016. The applicant and the County have been negotiating conditions of approval and reached consensus on March 28, 2017.

A second Extension of Time was filed March 13, 2017. The second Extension of Time is being processed concurrently, but as a subsequent action with the first Extension of Time. The same conditions of approval will be imposed on both Extensions of Time.

The County Planning Department, as part of the review of this Extension of Time request recommends the addition of seven (7) new conditions of approval in order to be able to make a determination that the project does not adversely affect the general health, safety and welfare of the public.

The applicant was informed of these recommended conditions and has agreed to accept them.

The Tentative Parcel Map also benefited from Senate Bill No. 1185 (SB1185), Assembly Bill No. 333 (AB333), Assembly Bill No. 208 (AB208), and Assembly Bill No. 116 (AB116), which granted statutory extensions of time for tentative maps statewide.

The Director’s Hearing heard the first and second Extension of Time for Tentative Parcel Map No. 36201 on May 22, 2017. The Hearing Officer approved the project.

Board Action

The Director’s Hearing decision is final and no action by the Board of Supervisors is required unless the applicant or an interested person files a complete appeal application within 10 days of this notice appearing on the Board’s agenda.

Impact on Citizens and Businesses
The impacts of this project have been evaluated through the environmental review and public hearing process by the Planning Department and the Director’s Hearing.
