SAFETY CODE SECTION 34180(f) FOR LAKE ELSINORE
SUCCESSOR AGENCY TRANSFER OF PROPERTIES TO CITY
OF LAKE ELSINORE FOR FUTURE REDEVELOPMENT
ACTIVITY

This Agreement, dated for reference purposes as of ____________, 2017 is
entered into by and among the City of Lake Elsinore, the County of Riverside, the
Riverside County Library System, the County of Riverside Flood Control and Water
Conservation District, the County of Riverside Fire Department, the Riverside County
Office of Education, the Riverside County Parks District, Mt. San Jacinto College,
Elsinore Valley Cemetery District, Elsinore Valley Municipal Water District, Western
Municipal Water District of Riverside County, Riverside Corona Resource Conservation
District, and the Lake Elsinore Unified School District, on the basis of the following
facts, understandings, and intentions of the Parties:

RECITALS

A. These Recitals refer to and utilize certain capitalized terms which are
defined in Section 1 of this Agreement. The Parties intend to refer to those definitions in
connection with the use thereof in this Agreement.

B. Pursuant to the Redevelopment Dissolution Statutes, the Former RDA was
dissolved as of February 1, 2012, and the Successor Agency became responsible for
paying its enforceable obligations, disposing of its properties and other assets, and
unwinding the affairs of the Former RDA.

C. Accordingly, ownership of the Former RDA’s Properties that had been
acquired to implement the Redevelopment Plans of the Former RDA transferred to the
Successor Agency for disposition in accordance with the Redevelopment Dissolution
Statutes.

D. The Successor Agency received a “Finding of Completion” from DOF on
April 26, 2013, confirming that the Successor Agency had made specified required
payments under the Redevelopment Dissolution Statutes, and entitling the Successor
Agency to prepare and submit a Long-Range Property Management Plan (the “LRPMP”,
as further defined in Section 1) to the Oversight Board and the DOF for approval.

E. The Successor Agency initially prepared and obtained Oversight Board
approval of its LRPMP in October 2013, calling for certain Properties to be transferred
by the Successor Agency to the City for future disposition by the City and development
by selected Developers to implement projects identified in the Redevelopment Plan.

F. Notwithstanding the timely submittal of the LRPMP, the LRPMP was not
approved by December 31, 2015, the statutory deadline for approval of a LRPMP.
Accordingly, in January 2016, DOF issued a letter specifying that the Successor Agency
must dispose of its Properties in accordance with Health and safety Code Sections
34177(e) and 34181(a). Since January, the Successor Agency, the Oversight Board and DOF have approved transfer of each of the properties described herein to the City for future development.

G. For properties to be transferred to the City for future development, Health & Safety Code Section Code 34180(f) requires execution of a compensation agreement among the City and the Taxing Entities providing for specified proceeds of the City's subsequent disposition of the properties to be distributed to the Taxing Entities in accordance with their proportional shares of the base property tax revenues.

H. City and the Taxing Entities desire to enter into this Agreement to provide for the distribution of net proceeds upon the sale of the properties transferred to the City for future development.

I. The Parties desire to enter into this Agreement to provide for the execution of an appropriate compensation agreement in accordance with Health and Safety Code Section 34180(f).

NOW, THEREFORE, the Parties agree as follows:

Section 5. Disposition of Properties By City. Within a time frame determined by the City to yield a financially feasible and marketable development, the City shall use diligent good faith efforts to select a Developer for each Property, negotiate and obtain approval and execution of the DDA for each Property, and dispose of each Property to the Developer in accordance with the applicable DDA. City shall obtain the Disposition Proceeds for distribution through the Auditor-Controller to the Taxing Entities pursuant to Section 6 and to enable development of each Property in accordance with the Redevelopment Plan. As required by Government Code Section 52201, the purchase price payable to the City for each Property under the applicable DDA shall be an amount that is determined to be not less than the Property’s fair market value at highest and best use, or the Property’s fair reuse value at the use and with the covenants and conditions and development costs authorized by the applicable DDA.

By not later than the date of first published notice of the City Council public hearing for the applicable DDA (the “DDA Public Hearing Notice”), the City shall provide each Taxing Entity with a copy of the DDA Public Hearing Notice (including the date, time and location of the public hearing and the location at which the proposed DDA may be inspected and copied), and a statement setting forth the proposed purchase price to be paid to the City under the proposed DDA.

Upon the execution of the DDA for each Property, the City shall transmit a copy of the executed DDA to the other Parties.
Section 6. Compensation To Taxing Entities Related To Disposition Proceeds.

(a) Distribution of Disposition Proceeds. Within fifteen (15) days after the Disposition Proceeds Receipt Date with respect to each Property, the City shall remit the Disposition Proceeds for that Property to the Auditor-Controller for subsequent distribution by the Auditor-Controller among the Taxing Entities in proportion to their shares of the base property tax (the “Applicable Shares”), as determined by the Auditor-Controller pursuant to Health and Safety Code Section 34188. The attached Exhibit B shows, for illustrative purposes only, the Applicable Shares of the Taxing Entities that would have applied to a distribution under this Section 6 had the distribution been made on June 1, 2016, as provided by the Auditor-Controller.

(b) Accounting Requirements. At the time of each distribution pursuant to subsection (a), the City shall provide to the Taxing Entities and the Auditor-Controller a statement prepared in accordance with sound accounting practice that provides the City’s calculation of the Disposition Proceeds (the “Disposition Proceeds Statement”). The City shall keep complete, accurate and appropriate books and records of its calculation of the Disposition Proceeds with respect to each distribution. The Auditor-Controller shall have the right, on behalf of the Taxing Entities and upon reasonable written notice to City, to audit and examine such books, records and documents and other relevant items in the possession of City, but only to the extent necessary for a proper determination of Disposition Proceeds.

Section 7. Compensation To Taxing Entities Related To Interim Municipal Use Annual Operating Proceeds.

(a) Applicability. The provisions of this Section 7 shall apply for each Fiscal Year in which one or more of the Properties is used for an Interim Municipal Use and generates Interim Municipal Use Annual Operating Proceeds to the City (each, an “Applicable Fiscal Year”). Nothing in this Agreement shall obligate the City to charge any fees or other amounts or to collect any revenues with respect to an Interim Municipal Use of any of the Properties.

(b) Distribution of Interim Municipal Use Annual Operating Proceeds. Within ninety (90) days after the end of each Applicable Fiscal Year, the City shall remit the Interim Municipal Use Annual Operating Proceeds for that Applicable Fiscal Year to the Auditor-Controller for subsequent distribution by the Auditor-Controller among the Taxing Entities in proportion to their Applicable Shares, as determined by the Auditor-Controller pursuant to Health and Safety Code Section 34188. The attached Exhibit B shows, for illustrative purposes only, the Applicable Shares of the Taxing Entities that would have applied to a distribution under this Section 7 had the distribution been made on January 1, 2014, as provided by the Auditor-Controller.

(c) Accounting Requirements. At the time of each distribution pursuant to subsection (a), the City shall provide to the Taxing Entities and the Auditor-Controller a statement prepared in accordance with sound accounting practice that
provides the City’s calculation of the Interim Municipal Use Annual Operating Proceeds (the “Operating Proceeds Statement”). The City shall keep complete, accurate and appropriate books and records of its calculation of the Interim Municipal Use Annual Operating Proceeds with respect to each distribution. The Auditor-Controller shall have the right, on behalf of the Taxing Entities and upon reasonable written notice to City, to audit and examine such books, records and documents and other relevant items in the possession of City, but only to the extent necessary for a proper determination of the Interim Municipal Use Annual Operating Proceeds.

Section 8. Term of Agreement: Early Termination.

(a) Term. The term of this Agreement shall commence on the Effective Date and, unless sooner terminated as otherwise provided in this Agreement, shall expire upon the distribution by the City of all amounts owed to the Taxing Entities under this Agreement.

(b) Early Termination. Notwithstanding any other provision of this Agreement, a Party may terminate this Agreement upon written notice to the other Parties if a court order, legislation, or DOF policy reverses DOF’s directive regarding the need for this Agreement and the payment of compensation by the City pursuant to Health and Safety Code Section 34180(1) (an “Early Termination”). An Early Termination shall become effective five (5) days after the terminating Party delivers the required notice to the other Parties in accordance with Section 9(a). Upon effectiveness of an Early Termination, no Party shall have any further rights or obligations under this Agreement, and the City may retain the Disposition Proceeds from the disposition of any Property for which the City has not yet received the Disposition Proceeds as of the effective date of the Early Termination, and may retain any Interim Municipal Use Annual Operating Proceeds for which the City was not required to make the distribution to the Taxing Entities as of the effective date of the Early Termination; provided, however, that the City shall have no right to recover any Disposition Proceeds or any Interim Municipal Use Annual Operating Proceeds from any Taxing Entity that were distributed by the City prior to the effective date of the Early Termination.

(a) Notices. All notices, statements, or other communications made pursuant to this Agreement to another Party or Parties shall be in writing, and shall be sufficiently given and served upon the Party if sent by (1) United States certified mail, return receipt requested, postage prepaid, or (2) nationally recognized overnight courier, with charges prepaid or charged to sender’s account, and addressed to the applicable Party in the manner specified in the attached Exhibit A. Any Party may change its address for notice purposes by written notice to the other Parties prepared and delivered in accordance with the provisions of this Section 9(a).

(b) No Third Party Beneficiaries. No person or entity other than the Parties and their permitted successors and assigns, shall have any right of action under this Agreement.
(c) **Litigation Regarding Agreement.** In the event litigation is initiated attacking the validity of this Agreement, each Party shall in good faith defend and seek to uphold the Agreement.

(d) **State Law; Venue.** This Agreement, and the rights and obligations of the Parties hereto, shall be construed and enforced in accordance with the laws of the State of California. Any action to enforce or interpret this Agreement shall be filed and heard in the Superior Court of Riverside County, California or in the Federal District Court for the Northern District of California.

(e) **Attorneys` Fees.** In any action which a Party brings to enforce its rights hereunder, the unsuccessful Party or Parties shall pay all costs incurred by the prevailing party, including reasonable attorneys` fees.

(f) **Entire Agreement; Amendment.** This Agreement constitutes the entire and integrated agreement of the Parties and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be modified only in writing and only if signed by all of the Parties and approved by the Oversight Board and the DOF, except as otherwise provided below. If, at the time of a proposed amendment of this Agreement, the Successor Agency and the Oversight Board have been terminated in accordance with the applicable provisions of the Redevelopment Dissolution Statutes, then the proposed amendment shall not require execution by the terminated Successor Agency or approval by the terminated Oversight Board. In that event, to obtain the approval of the DOF for such proposed amendment, the City shall transmit the proposed amendment to the DOF on behalf of the remaining Parties and seek the timely approval by the DOF for such amendment.

(g) **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement. The signature page of any counterpart may be detached therefrom without impairing the legal effect of the signature(s) thereon, provided such signature page is attached to any other counterpart identical thereto having additional signature pages executed by the other Parties. Any executed counterpart of this Agreement may be delivered to the other Parties by facsimile and shall be deemed as binding as if an originally signed counterpart was delivered.

(h) **Non-Waiver.** No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement will be effective unless it is in writing and signed by the waiving Parties.

(i) **No Partnership.** Nothing contained in this Agreement shall be construed to constitute any Party as a partner, employee, joint venturer, or agent of any other Party.

(j) **Ambiguities.** Any rule of construction to the effect that ambiguities are to be resolved against the drafting party does not apply in interpreting this Agreement.
(k) **Exhibits.** The following exhibits are incorporated in this Agreement by reference:

Exhibit A: List of Addresses for Notice Purposes

Exhibit B: Taxing Entities Applicable Shares of Property Taxes

(l) **Severability.** If any term, provision, or condition of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect unless an essential purpose of this Agreement is defeated by such invalidity or unenforceability.

(m) **Action or Approval.** Whenever action and/or approval by the City is required under this Agreement, the City Manager or his or her designee may act on and/or approve such matter unless specifically provided otherwise, or unless the City Manager determines in his or her discretion that such action or approval requires referral to the City Council for consideration.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the dates set forth in the opening paragraph of this Agreement.
